

One Call Now Parent Communication Information Sheet

Tinker Child and Youth Programs (CYP) utilizes One Call Now as a tool to communicate with parents participating in or enrolled in our Child Development Centers, Family Child Care, School-Age Program, and Youth Programs. This system allows each program to send messages in a timely and efficient manner to communicate emergency situations, parent events, and reminders. One Call Now will send messages through voice, text, and email channels. The system allows for each customer to provide 6 phone numbers and 5 email addresses.
